Horoscope Charts

Lagna Chart(Birth Chart)

Ascendant or Lagna, is the degree of the sign which is rising on the eastern horizon at the time of birth. The Lagna is the most influential and important sign within the natal or lagna chart. This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. In this way, the Lagna does not only delineate the rising sign, but also all the other houses in the chart.

Moon Chart

Navmansha Chart

Moon Chart is an important tool of prediction and the results of planetary combinations are more prominent when the yogas or certain combinations happen in both Moon and Lagna Chart.

Navmansha Chart is the most important divisional chart, Navmansha means nine part of a particular Rashi in which each Amsa consists of 3 degrees and 20 minutes.

People with Cancer rising tend to be less vital than average, sympathetic, compassionate, passive, nurturing, receptive, protective, retentive, changeable, psychic, sentimental, tenacious, timid, quiet, sensitive, acquisitive (pack-rat), and moody.

Just like the crab Cancer represents, you may have the habit of looking ahead and behind you at the same time, not fully wanting to face the future head-on and always worrying about the past and what might be sneaking up on you from behind, causing you great worry.

“ You go through life in a curious sideways motion, never going simply directly forward. You are sensitive and you retreat into your shell when you feel threatened.

Your feelings can be easily hurt, even when no slight was meant and you can take things much too personally.

You enjoy travel, but you absolutely need to know that you have a home base waiting for you to come back to. Security is everything for you in life.

Physical security comes with a comfortable base of operations and emotional security comes from all your possessions and attachments that have sentimental value to you.

“ In fact, that's why you keep everything because of all the emotional value and significance. Once you have latched onto something or someone, you do not tend to let go easily.

You respond to life through feeling, not thinking. Your moods go up and down just like the tides. The Moon rules Cancer so the Moon will be important in your chart.
